

CORONAVIRUS UPDATE (MARCH 20, 2020)

We have suspended all on-campus activities for the rest of March. On March 22 and March 29, we will offer an online-only worship experience that will be available on our [website](#) and [Facebook](#).

Through the end of the month, the church office may be reached only by phone or email.

In addition to providing Sunday worship experiences online, our pastoral staff will also provide several additional online resources to help you and your family. Check out our ministry Facebook pages.

We are continuously monitoring the situation by staying current with briefings and discussions held in partnership with other local faith leaders.

We also realize a vital part of our worship is the giving of our tithes and offerings. An easy and secure way to give online is through our giving portal at <https://www.firstmiddleburg.org/give>. In addition, banking institutions offer secure bill-pay which is a great way to give through your personal bank or credit union. Or you can simply mail a check to:
